		Bredde med vinterdrift		
		Bredde i sommerhalvåret		

## Project “gravefri fortau” in cooperation with Trondheim municipality

## *Bra å prioritere fotgjengere*

Adresseavisen  
Lederartikkel

**LEDER:** Det er et godt tiltak å la fotgjengere og syklister få mer plass i gatene.

# Vil ha flere fortau – flere gater kan bli enveiskjøerte

# Nå er disse satt opp: – Vil prioritere gående og syklende

**Dette er gravefrie fortau**

Et gravefritt fortau består av en rad med s nne som dette, med fem-seks meters mellomrom.
